PHOTOGRAPHS, 1993-2003.

19 cu. ft. and 1499 sampled digital images

DESCRIPTION: Consists of photographs collected or generated by the Governor's Office during the administration of Michael O. Leavitt. The photographs may be prints, negatives, or both for the same event or subject. Major types of events include election campaigns, parades, functions at the Governor's Mansion, visits from dignataries such as President George W. Bush, photographs of staff, official trips taken by the Governor, conferences, bill signings, and other events that featured the governor and were documented as such.

ARRANGEMENT: This series is arranged chronologically by month and year, with subjects within a month and year not in a particular order. Undated photographs were placed at the end of the series.

RELATED RECORDS: PRESS RELEASES, Series 13373, refer to many of the same events. VIDEO AND AUDIO RECORDINGS, Series 25230, provide additional coverage such as video footage of news events.

The GOVERNOR'S OLYMPIC PHOTOGRAPH COLLECTION, Mss C 1541 (part of the Utah State Historical Society's Digital Collections), contains photographs of the Governor, President George W. Bush, and other leaders and participants during the Salt Lake City Winter Olympics in 2002.

DIGITAL COLLECTIONS: This series is available online as part of the Utah State Archives Digital Collections.

PROCESSING NOTE: This series was processed by Michael J. Smith in December 2005. The photographs were then sampled and scanned by Rodney Swaner in December 2005. In general about two to three examples of each event or subject were chosen for online

presenation.
